CONCESSIONS	Due to adjustments made for Corona, we have our concession stand choices reduced and changed from past years. Also our prices have risen marginally due to price increases in products.

WATER	Please bring your own water bottles with water.
TEAM LOCATION	We would ask that you come prepared to play. There will be a hallway where your athletes can store their bags and valuables, but there will not be locker room for them to change in.
RISK DIAL	We are currently in the Orange area on the risk dial. For more information on what that means, go to our website at www.nbtigers.org .
