There will be trophies for the top three teams and medals for the top 15. Winning team will also receive medals. Play-offs will be scorecard beginning with the #1 handicap hole, except for the individual and team champion.

Team scoring will be 5 players with the top 4 scores counting. If a team playoff is needed, only the 4 players whose score counted will play.

Please be aware that a player may be disqualified for a serious breach of etiquette (throwing clubs, severe profanity, etc...). That decision will be made by Don Dravland, head golf pro at the Pines. Other breaches may also be penalized if they are observed by coaches on the course.

Please send a list of your golfers to Coach Doeden at ccdoeden@cox.net by Monday, April 6th.
