Fully Automated Timing system will be used for this meet.

-Athletes will be given hip tag numbers which correspond to their lane. In order to accommodate the number of athletes, participants should check in at the hip number distribution cart by heat.

-Hip numbers need to be worn on the side of the hip (not the front or back) to give the camera a view of the numbers.

-Please remind athletes and coaches to stay clear of the finish line. Activity around the finish line may disrupt timing.

Hospitality will be provided in the training center for coaches and bus drivers only
