

Fort Calhoun Community Schools
COVID-19 Absence Reporting
January 14th, 2022

The new report will be broken down to reflect building level data so it aligns with the new COVID-19 Policy.

This is a breakdown of our PreK-12 absences for the week of January 10th to January 14th.

Elementary

Number of students not in school due to a positive COVID-19 Test: 12

Number of students absent from school for illness: 50

Number of employees not at work due to a positive COVID-19 Test: 0

Number of employees not at work for illness: 1

January 14th COVID-19 positive cases: 9 (single day number)

Jr/Sr High

Number of students not in school due to a positive COVID-19 Test: 6

Number of students absent from school for illness: 28

Number of employees not at work due to a positive COVID-19 Test: 1

Number of employees not at work for illness: 2

January 14th COVID-19 positive cases: 3 (single day number)

=====

*If the Elementary reaches a COVID-19 positivity rate of 5% or higher, on any given day, the building will move to a 10-day mandatory mask mandate. After the 10 days if the number of cases has fallen under 5% the building will return to a mask optional policy.

If the Jr/Sr High reaches a COVID-19 positivity rate of 5% or higher, on any given day, the building will move to a 10-day mandatory mask mandate. After the 10 days if the number of cases has fallen under 5% the building will return to a mask optional policy.

5% at the Elementary is 20 students K-6.

5% at the Jr/Sr High is 17 students 7-12.

*This is only part of the new policy. The entire policy can be found on our website under COVID Info.
