WELCOME TO FORT CALHOUN

Our community is growing and we want to be prepared. We are reaching out to families with or without students in our District to determine future needs.

Residents: Please help us with our child count by reporting your children up to 18 years old. If you have not already notified us through the census or there has been a change in your household, call the District office at 402-468-5591 with your information. Thank you.

The Fort Calhoun Vocal Music Department is putting on its first musical in 20 ,years! Come support

our students and en-

joy a HOWLING good time! Join us for a smart and wickedly funny musical where you, the audience, are the jury in the trial of the century. The notorious Big Bad Wolf is being slapped with a class-action lawsuit by storybooks of quirky characters who want to get even: Little Red Riding Hood, her Grandmother, the Three Little Pigs, and the Shepherd in charge of the Boy Who Cried Wolf.

Mr. Wolf makes a good case for himself. The two greatest legal minds in the Enchanted Forest — the Evil Stepmother and the Fairy Godmother - clash in a trial that will be remembered forever after.

Was he born a criminal, or made one? Come and find out! Showtimes are Saturday, April 2nd @ 7 pm and Sunday, April 3rd @ 2 pm.

Tickets can be purchased in advance from any high school choir member or at the door.

COMMUNITY WEIGHT ROOM USE

The high school weight room is available for use by District patrons. A fob is issued for a fee of \$50.00 which renews yearly each June 1st. If you have any questions contact Mr. Andrew Christensen at 402-468-5591 or register at the high school office.

guardians is up to date. Contact your child's school with any new or updated phone numbers, e-mail addresses or text information.

FROM THE SUPERINTENDENT'S OFFICE

Over the past several weeks we have been able to have our students represent Fort Calhoun Community Schools at the state basketball tournament, prom, and post prom. At all of these events the administration has had someone hosting these events make a point to come and let us know we have good kids. This is always good to hear. It says a lot about the community as a whole and the school. Now, make no mistake, no one is saying we have perfect kids but overall, we do have really good kids.

This doesn't happen by chance. I would attribute this to a community that has an overall commitment to work together with its neighbors, friends, schools, and other organizations to raise good kids. What a great place to live and raise a family. I felt it was important to share this comment with everyone. As we move forward it is important to continue to have high expectations and accountability for our kids. New generations will soon be taking the role of parenting and living in this great community. It is my hope that for many years to come we continue to get the message from others that we have good kids.

What a great compliment, congratulations to everyone, especially our students.

Happy Spring, the season where things blossom. The most important thing that will be blossoming this time of year is our students. Testing season is upon us, and it is a great opportunity for students to demonstrate all the knowledge they've gained throughout the school year. These spring tests consist of Dibels, NWEA, and NSCAS. These are all great data points that are indicators of where students are at. Some students will thrive, and some students may not, and that is okay. Just a friendly reminder that yes, these tests are important, and we want all our students to do well, but testing is not the end all be all. Everyone has different strengths and weaknesses and that is what makes each individual unique in their own manner. I am bringing light to these tests to inform you that they will be happening towards the end of April and early May. There are some things that we can control to help set our students up for success. Those things include helping ensure a good night's sleep, eating a nutritious breakfast, and at the end of the day letting them know to just do their best. Please let me know if you have any questions and as always thank you for your support as we finish this year STRONG, together.

> **GOLD MEDAL NEW YORK LIFE AWARD**

MR. NICK WEMHOFF Principal

It is April! Can you believe we only have 7 weeks left of school? In that same phrase, we still have 7 weeks of school left! This is NOT the time to slow down, but rather, it is time to focus onfinishing the school year strong. There are many educational events that take place in April and May that are highly important. Items include but are not limited to NSCAS (state tests) for grades 7 and 8, NWEA testing for grades 7 and 8, scholarship deadlines for seniors, along with everyday homework as students work to complete courses. This is a critical time in learning for all students.

With all that happens at this time of the year, please take a minute to add to your calendar the following dates. The Honors Night and Athletic Banquet will be on April 28that 6:30 pm in the new gym at the high school. Freshman Orientation for current 8th Graders will be on May 2nd at 6:00 pm.

For our Seniors, the 4th guarter marks the beginning to the end of one chapter in their lives -Graduating from high school. Graduation is scheduled for May 7th at 2:00 pm. I am excited to be able to participate in this ceremony and to celebrate with our families!

A message to the Seniors – don't stop short of the finish line! Graduation is the culmination of 13 years of school, grades K-12. When you figure that there are 179 days of school a year times approximately 7 hours a day; it adds up to 16,142 hours of school as of April 1st. Seniors, you have approximately 150 hours left of school. Don't leave any task undone or homework unfinished, make sure you graduate. Don't let 16,289 hours go to waste because you failed a class. FOCUS - FINISH - GRADUATE!

"It's not where you start - it's where you finish that counts".- Zig Ziglar

Greetings from Pioneers for Education! Last month was a fun busy month for us! We were able to satisfy everyone's sweet tooth with Donuts with Dad and selling desserts at the fish fry. Thank you to our awesome volunteers for both events. We couldn't do this without your help. Art After School is now moving into it's second sessions. There has been a high demand for this program. We love seeing the kids getting excited about art! PFE is in need of volunteers for our upcoming events. We will also have two Officer Positions opening up for the 2022-23

school year.

If you are interested or want more information on the volunteer opportunities available please reach out to PFE and attend our next meeting. The next Pioneers for Education meeting will be held Monday, April 11th at 6:30pm. You can find information on becoming a PFE member on our PFE Facebook Page, on the school website, or by contacting us directly at pioneersforeducation@gmail.com.

MEAL BENEFIT APPLICATIONS

Because of the COVID pandemic and schools' situations nationwide, the USDA extended the waivers to schools to furnish free meals to all school age children through the 2021-22 school year. Fort Calhoun Community Schools, under the direction of the Nebraska Child Nutrition Program, will provide free first school meals to all students K-12. Letters were sent to all households explaining the program at the beginning of the school year. Let us know if you have questions.

Even though first meals are free, there are benefits and/or grant opportunities for families and students who would gualify for meal benefits. If you feel this would be a benefit, we urge you to complete the "Free and Reduced-Priced Meal Application" that was sent home with each student at the beginning of the year. It is also available on our website under Food Services.
