This is a breakdown of our PreK-12 absences for the week of March 7<sup>th</sup> to March 9<sup>th</sup>.

\*Short week, spring break.

**Elementary**

Number of students not in school due to a positive COVID-19 Test: 1

Number of students absent from school for illness: 23

Number of employees not at work due to a positive COVID-19 Test: 0

Number of employees not at work for illness: 2

March 9<sup>th</sup> COVID-19 positive cases: 0 (single day number)

**Jr/Sr High**

Number of students not in school due to a positive COVID-19 Test: 0

Number of students absent from school for illness: 15

Number of employees not at work due to a positive COVID-19 Test: 0

Number of employees not at work for illness: 0

March 9<sup>th</sup> COVID-19 positive cases: 0 (single day number)

=====

\*If the Elementary reaches a COVID-19 positivity rate of 5% or higher, on any given day, the building will move to a 10-day mandatory mask mandate. After the 10 days if the number of cases has fallen under 5% the building will return to a mask optional policy.

If the Jr/Sr High reaches a COVID-19 positivity rate of 5% or higher, on any given day, the building will move to a 10-day mandatory mask mandate. After the 10 days if the number of cases has fallen under 5% the building will return to a mask optional policy.

5% at the Elementary is 20 students K-6.

5% at the Jr/Sr High is 17 students 7-12.

\*This is only part of the new policy. The entire policy can be found on our website under COVID Info.
