Membership Drive Update	Joey Iwen	We ended up with 88 paid memberships, 22 which were staff (either staff as family or individual staff)	Will put together the communication for top classes for membership percentages.
Homecoming Parade Recap	Officers	Went great, doing a truck rather than a float was a great idea.	
Mornings with Mom Recap	Nicole Duros	Great to have been able to move it into the gym at the last minute since it was so dark and cold! Had a great turnout- Krissy did a fabulous job. Had enough donuts and even some extra for staff. Scooters donated 2 big jugs of coffee which was awesome. The photo booth was a huge success and super cute!	Will probably order the same amount of donuts for donuts with dad in the spring.
Mother/Son Event Update	Matt Reichert	Due to building restraints, we are trying to find an alternative to mother son, or make it more inclusive. CHecking offsite options such as bowling, trampoline, etc.	Looking to maybe do a joint family event instead of separate mother/father son/daughter events.
Spirit Fridays	Joey Iwen	The 6th grade created a petition to boycott the new rule of only winning 3 times in a row which was created so that other classes could have a chance to win.	Decided to change it so top 3 classes in the school would get treats, and first place winner would get the mascot in their room.
Playground update	Brad Earley/PJ	Finishing the tile installation- should be done by mid week. Posted photos to PFE FB page to show progress.	
Father/Daughter Event	Matt Reichert	Still not sure where we could have the event, also wanting to be more inclusive. With Covid, that's a lot of people together and hard to plan.	Considering doing a joint family event instead of separate events.
Original Works	Joey Iwen	Looking for help to co-chair event	Joey to put message on FB for added help.
Art After School	Brad Earley	Looking to have 2 sessions in the spring at the high school with Paul Highhorse & Tessa Rutledge again.	Working out details with Paul.
Financial Update	Shannon Pokorski	No large expenses coming up- received financial printout	
Administration Update		PJ asked for \$1000 for PBIS ticket prize money- students love getting prizes for their good behavior, program working well, great partnership with PLC.	Voted to OK the request.
Open Discussion		Thank you note read from scholarship winner
