

Hello!

Pioneers for Education (PFE) is a parent-led, 501(c)(3) organization that works alongside Fort Calhoun Community Schools to enhance the educational experience of PreK-12 Pioneers! Funds from corporate sponsorships have helped support the Elementary School Art Program, scholarships, a family movie night, many fun student events, Staff Appreciation Week, and past capital projects such as the playground move and a new display case. They will also help support the upcoming elementary playground resurface project, as well as other events throughout the upcoming school year.

We are asking for a one-time donation for the upcoming school year. We understand that with our current economic climate, things are tight but we appreciate any donation you are able to give.
