

Pioneers for Education (PFE) is an organization proud to be propelled by parents, educators, the community and our students. The events and fundraising sponsored by the PFE is due to the contributions and leadership of many volunteers over the years. Volunteering is the voluntary act of an individual or group freely giving time and labor, often for community service. PFE is honored to award two, non-renewable scholarships to Pioneers who have shown commitment to our community through volunteering and exceptional leadership.

Criteria

- Complete the common scholarship application
- Have one letter of recommendation from a non-family member
- Minimum GPA 2.5
- Essay explaining an organization you've volunteered for and what you've gained from that experience.
- Been a Pioneer for at least 3 years

Award Amount

Two, non-renewable \$1000 scholarships

Collecting Award

The PFE officer team will review all scholarship applications and will select the winner based on the application criteria and community contribution
