

5010
Immunizations

1. General Rule

- a. Each student wishing to enroll in the school district is required to be immunized against measles, mumps, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis and varicella (chicken pox) prior to enrollment.
- b. The district is not responsible for the cost of such immunizations.
- c. Any student who does not comply with this policy shall not be permitted to continue attending school.

2. Exceptions

- a. Provisional Enrollment.

Students who meet the statutory requirements for provisional enrollment shall be allowed to attend school for sixty days without the necessary immunizations.

- b. Immunization shall not be required if the student's parent or guardian submits one of the following to the superintendent of schools:
 - i. A statement signed by a medical professional stating that the required immunization would be injurious to the health and well-being of the student or any member of the student's household.
 - ii. An affidavit signed by the student or a legally authorized representative of the student, stating that the immunization conflicts with the student's sincerely held religious beliefs.
- c. Students who are excepted from the immunization requirement may be excluded from school in the event of an outbreak of any contagious disease in the school population.
