Student Driving and Parking

Students who drive to school are required to park their vehicles and leave them unoccupied until it is time to drive home. The speed limit on school property is 10 miles per hour. Students may not drive or have access to their vehicles during the school day without the express permission of their building principal or the superintendent of schools.

Students are to park appropriately and in the assigned areas on school property. Student parking shall not be permitted in bus loading zones. When the buses are loading or unloading, all vehicles must stop and wait for the loading or unloading process to be completed.

By driving a vehicle to school and parking on school grounds, students consent to having that vehicle searched by school officials if school officials have reasonable suspicion that such a search will reveal a violation of school rules.
