Multicultural Education

In every curriculum area and at all grades, the school district will provide programs which foster and develop an appreciation and understanding of the racial, ethnic, and cultural heritage of all students. These programs will allow students to explore the history and contributions made by various ethnic groups and will emphasize the rich diversity of the population of the United States.

The programs shall be implemented within the guidelines of the State Department of Education and in accordance with any other applicable laws and/or regulations. The superintendent shall provide the board with a report on the status of the district's multicultural education program annually.
