Developed 2019-2020

# Fort Calhoun Community Schools

## Vision

### We believe:

- All people can learn.
- In promoting the worth and self-esteem of every student.
- We must provide quality education for all youth according to their needs.
- Education should be a positive experience in a safe and caring environment.
- Everyone must be accountable for the education of youth. (Education is the shared responsibility of all.)
- Students must be prepared to contribute to society as lifetime learners.
- High expectations produce high achievers.
- The future of our democratic society depends upon educated and involved citizens.

## Mission

*The mission of the Fort Calhoun Community Schools is to foster learning in an inspiring and caring environment, provide opportunities for all students to be successful, instill the attributes of respect and responsibility among staff and students alike, and present students with the tools to succeed in life.*

## 2019-20 Board Goals

1. Explore alternate ways to achieve the goal of making the Elementary into a three-section building within the available four-year window, as well as addressing the need for additional recreational space for site.
2. The Administration will develop the job description for the SRO/Safety position and implement it for the 2019-20 school year.

**3. Will research and develop a comprehensive system for tracking student assignments across the multiple medias used in the District during the 2019-20 fiscal year.**
