

## Fort Calhoun Elementary Proposed School Improvement Action Plan 2019–2020

**The District will develop a comprehensive Mental Health program and communicate it to all stakeholders.**

**CSIP Goal: The district will create a Frameworks for Mental Health Services.**

### **Strategies:**

- \* The district will build a Mental Health program that will address curriculum revision to include Mental Health standards K-12
- \* Utilize the Mental Health professional from our Mental Health team to identify the possible Mental Health areas to address in curriculum.

### **Success Criteria:**

- \* The district will identify basic attributes The staff will have a more keen understanding of what Mental Health issues look like.
- \* The current health and social skills curriculum will be revised to include Mental Health awareness and coping skills.

### **Progress Monitoring:**

- \* The administration will review revised curriculum to be sure it includes Mental Health issues.
- \* Each health related class will adopt mental health curriculum and formative assessments.
- \* Student Risk surveys will include assessment questions that will assess the new Mental health goals.
- \* Teacher reflection opportunities

### **Monitor and Adjust:**

- \* Yearly Mental Health summits.
- \* Provide results of the student risk surveys to the staff.
- \* Share information with Mental Health Committee.
- \* Review curriculum annually to be sure the student surveys are reflected in the revision of the Mental Health Standards.
