

## Fort Calhoun Elementary Proposed School Improvement Action Plan 2019–2020

**The District will develop a comprehensive Mental Health program and communicate it to all stakeholders.**

**CSIP Goal: The district will develop and publicize Resources for students inquiring about Mental Health services.**

**Strategies:**

- \* The district will conduct an internal audit of Mental Health services currently available for students.
- \* The district will conduct a search of local Mental Health Resources for our students and make this list available for students and families.

**Success Criteria:**

- \* The staff will have a list of Mental Health services available for students and families in crisis.
- \* The district will have identified Mental Health services that we will publicize for students and patrons on many different medias.

**Progress Monitoring:**

- \* The district will develop a timeline for which the publication will be completed.
- \* Student Risk surveys
- \* Teacher reflection opportunities

**Monitor and Adjust:**

- \* Quarterly reviews of Counselor visits
- \* Arbor Family Quarterly
- \* Yearly Mental Health summits.
- \* Provide results of the student risk surveys to the staff.
- \* Review annually for updates to the resource list.
