

# PEP BAND

## POLICIES

1. Pep Band plays at all home volleyball, boys basketball, and girls basketball games, with the following exceptions:
  - A. We do not play when there is wrestling on the same night as a basketball game.
  - B. We do not play during Christmas vacation.
2. When you see the word "Tournament" on the calendar, **plan on playing** until you hear something to the contrary.
  - A. It is likely we will not play for the opening game of a tournament—unless its at home—but, nevertheless, refer to No. 2 above.
  - B. When all else fails.....ask.
3. **Read** the school calendar carefully. It is **YOUR** responsibility to know the schedule.
4. You are expected to be present at Pep Band unless you have a **fantastic** legitimate excuse for not being there. Being present at a game without playing will be considered negative attitude and will be an automatic half letter grade reduction in your quarter grade.
5. You must ride the bus to play at away pep bands unless you have made arrangements in advance.
6. Your parents expect you to be at a supervised school activity. Outdoors is not supervised. You may not leave the building.

—This is NOT news. This has been the exact same policy for ages.

## PROCEDURES

### VOLLEYBALL—

1. You should **BE back IN your seats by the time** either team's score **reaches 18**.
2. If we win the set, we will play School Song and then another selection.
3. If we lose the set, we will play another selection and then School Song.
4. We will not play at the end if we should happen to lose the game.

### BASKETBALL—

1. Be back in your seats when **2:00** minutes remain in the half (first or second.)
2. Half time will always start with School Song as the team leaves the floor.
3. Several selections should be in order for the half time.
4. We will not play at the end if we should happen to lose the game.
