

Fort Calhoun Community Schools

Schedule for Picking Up Student Items

Governor Ricketts has issued a new Directed Health Measure (DHM).

“Under this new DHM, schools statewide are directed to operate without students in their buildings through May 31, 2020. Extracurricular activities are also cancelled statewide.” – From NEBRASKA.GOV

In order for us to clear and clean our building we need students to come to the school and pick up any remaining personal items. For us to keep the building from filling up with students we have prepared a pickup schedule.

We will only allow a limited amount of people in the building at a time so students need to enter, move to their lockers, gather their items and exit the building quickly. We ask that only students enter the building.
