Parents,

We hope that you will support your student this summer with the ThinkStretch Summer Learning Program. Research out of Johns Hopkins University is conclusive— *all students lose up to 2.6 months of learning if they do not actively engage in summer learning activities.* Fort Calhoun School is making a commitment to “Stop Summer Brain Drain”!

Our students (and you!) have worked very hard this school year...please help us help you to keep the learning going! Fort Calhoun and PFE are making available a grade specific **Summer Learning Book** and a **Parent Guide to Summer** for only \$10.00 (FC School and PFE are paying the rest. Cost is \$17.00). The book meets national standards for learning outcomes by grade and is formatted in a concise and doable workbook. Each week, for 8 weeks, your student will read, complete a writing activity, practice math skills and enjoy a bonus activity.

At the end of the summer, your student will turn in the summer learning book to his/her new teacher. Students will receive a bronze medal for completing 4 lessons, a silver medal for 6 lessons and a gold medal for completing 8 lessons.

Parents are **KEY** to the summer learning program and without your partnership it is not possible. The School and PFE are supporting this effort by teaming up to help coordinate orders, get the books distributed and collect completed books in the Fall. Together we are encouraging you to “Keep it simple but keep it going!”

Sample Book are Located in the school Office!!

PLEASE SEE THE ORDER FORM ON THE BACK FOR PAYMENT OPTIONS – SCHOLARSHIPS ARE AVAILABLE.
